A. Redemption. Bonds maturing on or before July 1, 1992, are not subject to call for redemption prior to maturity. Bonds maturing on or after July 1, 1993, are subject to call for redemption prior to maturity, in whole or in part, on July 1, 1992, or on any interest payment date thereafter by the payment of the principal amount of each Bond called for redemption plus accrued interest to the date fixed for redemption plus a premium payable from any source lawfully available therefor, the premium to be computed as follows:

and thereafter without premium.	

B. Notice. Notice of redemption of any Bond will be mailed not more than 60 nor less than 30 days prior to the date set for redemption to the registered holder of the Bond or Bonds being redeemed at the address shown on the bond register maintained by the registrar.

C. Effect of Call for Redemption. On the date designated for redemption by notice given as herein provided, the Bonds so called for redemption shall become and be due and payable at the redemption price provided for redemption of such Bonds on such date, and, if moneys for payment of the redemption price and accrued interest are held in separate accounts by the paying agent, interest on such Bonds or portions of Bonds so called for redemption shall cease to accrue, such Bonds shall cease to be entitled to any benefit or security hereunder and the holders of such Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof and accrued interest and such Bonds shall be deemed paid and no longer outstanding.

D. Redemption of Less Than All of a Bond. The District may redeem an amount which is included in a Bond in the denomination in excess of, but divisible by, \$5,000. In that event, the registered owner shall submit the Bond for

partial redemption and the paying agent shall make such partial payment and the Registrar shall cause to be issued a new Bond in a principal amount which reflects the redemption so made to be authenticated and delivered to the registered owner thereof.

Section 4. Security. For the purpose of paying the principal of, interest on, premium (if any) on early redemption and costs of administration of the registration and payment of the Bonds there shall be levied on all the taxable property in the District a continuing, direct, annual, ad valorem tax sufficient to pay all such principal, interest, premium and administration costs on the Bonds as the same becomes due, such taxes to be levied, assessed and collected at the same time and in the same manner as other taxes are levied, assessed and collected. The proceeds of the taxes shall be kept in a special fund entitled the Debt Service Fund of the District and shall be used only for the payment of principal, interest, premium (if any) and administration costs as above-stated.

Section 5. Use of Proceeds. The net proceeds from the sale of the Bonds, after payment of the expenses of issuance, shall be set aside and deposited by the County Treasurer in a separate fund entitled the Building Fund of the District. This resolution shall be construed as consent of the Board of Supervisors to invest such funds, pending use, in any of the securities allowed by A.R.S. § 15-1025. The proceeds of the Bonds shall be expended only for the purpose set forth in the ballot used at the special bond election wherein issuance of the Bonds was approved.

Section 6. Form of Bonds. Pursuant to A.R.S. § 35-491, a fully registered bond form is adopted as an alternative to the form of bond provided in A.R.S. § 15-1023. A registrar and paying agent will be appointed for the administration of the Bonds. The Bonds shall be in substantially the form of Exhibit "A", attached hereto and incorporated by reference herein, with such necessary and appropriate omissions, insertions and variations as are permitted or required hereby or by the Notice Inviting Proposals for the Purchase of Bonds and are approved by those officers executing the Bonds and execution thereof by such officers shall constitute conclusive evidence of such approval.

The Bonds may have notations, legends or endorsements required by law, securities exchange rule or usage. Each Bond shall show both the date of the issue and the date of such Bond's authentication and registration.

The Bonds are prohibited from being converted to coupon or bearer Bonds without the consent of the Board of Supervisors and approval of bond counsel.

Section 7. Execution of Bonds. The Bonds shall be executed for and on behalf of the District by the President and attested by the Clerk of the Governing Board and countersigned by the Chairman of the Board of Supervisors of this County by their facsimile signatures.

If an officer whose signature is on a Bond no longer holds that office at the time the Bond is authenticated and registered, the Bond shall nevertheless be valid.

A Bond shall not be valid or binding until authenticated by the manual signature of an authorized officer of the registrar. The signature of the authorized officer of the registrar shall be conclusive evidence that the Bond has been authenticated and issued under this resolution.

Section 8. Mutilated, Lost or Destroyed Bonds. In case any Bond becomes mutilated or destroyed or lost, the District shall cause to be executed and delivered a new Bond of like date and tenor in exchange and substitution for and upon the cancellation of such mutilated Bond or in lieu of and in substitution for such Bond destroyed or lost, upon the registered owner's paying the reasonable expenses and charges of the District in connection therewith and, in the case of the Bond destroyed or lost, filing with the County Treasurer by the registered owner evidence satisfactory to the Treasurer that such Bond was destroyed or lost, and furnishing the County Treasurer with a sufficient indemnity bond pursuant to § 47-8405, Arizona Revised Statutes.

Section 9. Acceptance of Proposal. The proposal of \_\_\_\_\_ for the purchase of the Bonds is hereby accepted and the Bonds are hereby ordered sold to such purchaser in accordance with the terms of such proposal and the terms and conditions of the Notice Inviting Proposals for the Purchase of Bonds.

The County Treasurer is hereby authorized and directed to cause the Bonds to be delivered to the purchaser upon receipt of payment therefor and satisfaction of the other conditions for delivery thereof in accordance with the terms of the sale.

Section 10. Registrar and Paying Agent. The District will maintain an office or agency where Bonds may be presented for registration of transfer (the "Registrar") and an office or agency where Bonds may be presented for payment (the "Paying Agent"). The District may appoint one or more co-registrars or one or more additional Paying Agents. The Registrar and Paying Agent may make reasonable

rules and set reasonable requirements for their respective functions with respect to the holders of the Bonds.

Initially, \_\_\_\_\_,  
Phoenix, Arizona, is appointed to act as Registrar and  
Paying Agent with respect to the Bonds. The District may  
change the Registrar or Paying Agent without notice to or  
consent of holders of the Bonds and the District may act in  
any such capacity.

The Registrar's fee payment agreement between the  
County and the District is hereby approved in substantially  
the form on file with the Clerk, to provide for the payment  
of the costs of registration and printing of the Bonds. The  
contract for Registrar's services is hereby approved in  
substantially the form on file with the Clerk to provide for  
the payment of Registrar's services. Upon full execution of  
the Registrar's fee payment agreement, the Chairman of this  
Board and the Treasurer are hereby authorized and directed  
to execute and deliver the contract.

Each Paying Agent shall be required to agree in  
writing that the Paying Agent will hold in trust for the  
benefit of the holders of the Bonds all money held by the  
Paying Agent for the payment of principal of and interest  
and any premium on the Bonds.

The Registrar may appoint an authenticating agent  
acceptable to the District to authenticate Bonds. An  
authenticating agent may authenticate Bonds whenever the  
Registrar may do so. Each reference in this resolution to  
authentication by the Registrar includes authentication by  
an authenticating agent acting on behalf and in the name of  
the Registrar and subject to the Registrar's direction.

The Registrar shall keep a register of the Bonds,  
the registered owners of the Bonds and of transfer of the  
Bonds. When Bonds are presented to the Registrar with a  
request to register transfer, the Registrar shall register  
the transfer on the registration books if its requirements  
for transfer are met and shall authenticate and deliver one  
or more Bonds registered in the name of the transferee of  
the same principal amount, maturity and rate of interest as  
the surrender Bonds. The "Record Date" for the Bonds shall  
be the close of business of the Registrar on the 15th day of  
the month preceding an interest payment date. Bonds  
presented to the Registrar for transfer after the close of  
business on the Record Date and before the close of business  
on the next subsequent interest payment date will be  
registered in the name of the transferee but the interest  
payment will be made to the registered owners shown on the  
books of the Registrar as of the close of business on the  
respective Record Date.

The Registrar shall authenticate Bonds for original issue up to \$2,250,000 aggregate principal amount upon the written request of the County Treasurer. The Registrar shall keep a register of the Bonds and of their transfer. The aggregate principal amount of Bonds outstanding at any time may not exceed that amount except for replacement Bonds as to which the requirements of the Registrar and the District are met.

Section 11. Resolution a Contract. This resolution shall constitute a contract between the District and the registered owners of the Bonds and shall not be repealed or amended in any manner which would impair, impede or lessen the rights of the registered owners of the Bonds then outstanding.

Section 12. Tax Covenants. In consideration of the purchase and acceptance of the Bonds by the owners thereof and, as authorized by Arizona Revised Statutes, Title 35, Article 7 enacted as Chapter 226, Laws of 1986, and in consideration of retaining the exemption from federal income taxes of interest income on the Bonds, the County covenants with the owners from time to time of the Bonds to neither take nor fail to take any action which action or failure to act is within its power and authority and would result in interest on the Bonds become subject to inclusion in gross income for federal income tax purposes.

The County agrees that it will comply with such requirements as in the opinion of Gust, Rosenfeld, Divelbess & Henderson ("bond counsel") are necessary to prevent interest on the Bonds becoming subject to inclusion in gross income for federal income tax purposes. Such requirements may include but are not limited to making further specific covenants; making truthful certifications and representations and giving necessary assurances; complying with all representations, covenants and assurances contained in certificates or agreements to be prepared by bond counsel; to pay to the United States of America any required amounts representing rebates of arbitrage profits relating to the Bonds; filing forms, statements and supporting documents as may be required under the federal tax laws; limiting the term of and yield on investments made with moneys relating to the Bonds; and limiting the use of the proceeds of the Bonds and property financed thereby.

Section 13. Tax Exempt Obligations. The County hereby designates the Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Internal Revenue Code of 1986. The County hereby certifies that it reasonably anticipates that the aggregate amount of qualified tax-exempt obligations (as defined in Section

265(b)(3)(B) of the Internal Revenue Code of 1986) which will be issued for or by the District in calendar year 1987 will not exceed \$10,000,000.

Section 14. Severability. If any section, paragraph, subdivision, sentence, clause or phrase of this resolution is for any reason held to be illegal or unenforceable, such decision will not affect the validity of the remaining portions of this resolution. The Board of Supervisors hereby declares that it would have adopted this resolution and each and every other section, paragraph, subdivision, sentence, clause or phrase hereof and authorized the issuance of the bonds pursuant hereto irrespective of the fact that any one or more sections, paragraphs, subdivisions, sentences, clauses or phrases of this resolution may be held illegal, invalid or unenforceable.

Section 15. Ratification of Actions. All actions of the officers and agents of the District, the County or the Board of Supervisors which conform to the purposes and intent of this resolution and which further the issuance and sale of the Bonds as contemplated by this resolution whether heretofore or hereafter taken are hereby ratified, confirmed and approved. Any changes made in the Notice Inviting Proposals for the Purchase of Bonds which do not conform to the prior order of this Board are hereby ratified. The proper officers and agents of the District and the County are hereby authorized and directed to do all such acts and things and to execute and deliver all such documents on behalf of the District as may be necessary to carry out the terms and intent of this resolution.

In case any Bond becomes mutilated or destroyed or lost, the District shall cause to be executed and delivered a new Bond of like date and tenor in exchange and substitution for and upon the cancellation of such mutilated Bond or in lieu of and in substitution for such Bond destroyed or lost, upon the registered owner's paying the reasonable expenses and charges of the District in connection therewith and, in the case of the Bond destroyed or lost, filing with the County Treasurer by the registered owner evidence satisfactory to the Treasurer that such Bond was destroyed or lost, and furnishing the County Treasurer with a sufficient indemnity bond pursuant to § 47-8405, Arizona Revised Statutes.

Section 9. Acceptance of Proposal. The proposal of \_\_\_\_\_ for the purchase of the Bonds is hereby accepted and the Bonds are hereby ordered sold to such purchaser in accordance with the terms of such proposal and the terms and conditions of the Notice Inviting Proposals for the Purchase of Bonds.

The County Treasurer is hereby authorized and directed to cause the Bonds to be delivered to the purchaser upon receipt of payment therefor and satisfaction of the other conditions for delivery thereof in accordance with the terms of the sale.

Section 10. Registrar and Paying Agent. The District will maintain an office or agency where Bonds may be presented for registration of transfer (the "Registrar") and an office or agency where Bonds may be presented for payment (the "Paying Agent"). The District may appoint one or more co-registrars or one or more additional Paying Agents. The Registrar and Paying Agent may make reasonable

rules and set reasonable requirements for their respective functions with respect to the holders of the Bonds.

Initially, \_\_\_\_\_,  
Phoenix, Arizona, is appointed to act as Registrar and  
Paying Agent with respect to the Bonds. The District may  
change the Registrar or Paying Agent without notice to or  
consent of holders of the Bonds and the District may act in  
any such capacity.

The Registrar's fee payment agreement between the  
County and the District is hereby approved in substantially  
the form on file with the Clerk, to provide for the payment  
of the costs of registration and printing of the Bonds. The  
contract for Registrar's services is hereby approved in  
substantially the form on file with the Clerk to provide for  
the payment of Registrar's services. Upon full execution of  
the Registrar's fee payment agreement, the Chairman of this  
Board and the Treasurer are hereby authorized and directed  
to execute and deliver the contract.

Each Paying Agent shall be required to agree in  
writing that the Paying Agent will hold in trust for the  
benefit of the holders of the Bonds all money held by the  
Paying Agent for the payment of principal of and interest  
and any premium on the Bonds.

The Registrar may appoint an authenticating agent  
acceptable to the District to authenticate Bonds. An  
authenticating agent may authenticate Bonds whenever the  
Registrar may do so. Each reference in this resolution to  
authentication by the Registrar includes authentication by  
an authenticating agent acting on behalf and in the name of  
the Registrar and subject to the Registrar's direction.

The Registrar shall keep a register of the Bonds,  
the registered owners of the Bonds and of transfer of the  
Bonds. When Bonds are presented to the Registrar with a  
request to register transfer, the Registrar shall register  
the transfer on the registration books if its requirements  
for transfer are met and shall authenticate and deliver one  
or more Bonds registered in the name of the transferee of  
the same principal amount, maturity and rate of interest as  
the surrender Bonds. The "Record Date" for the Bonds shall  
be the close of business of the Registrar on the 15th day of  
the month preceding an interest payment date. Bonds  
presented to the Registrar for transfer after the close of  
business on the Record Date and before the close of business  
on the next subsequent interest payment date will be  
registered in the name of the transferee but the interest  
payment will be made to the registered owners shown on the  
books of the Registrar as of the close of business on the  
respective Record Date.

The Registrar shall authenticate Bonds for original issue up to \$2,250,000 aggregate principal amount upon the written request of the County Treasurer. The Registrar shall keep a register of the Bonds and of their transfer. The aggregate principal amount of Bonds outstanding at any time may not exceed that amount except for replacement Bonds as to which the requirements of the Registrar and the District are met.

Section 11. Resolution a Contract. This resolution shall constitute a contract between the District and the registered owners of the Bonds and shall not be repealed or amended in any manner which would impair, impede or lessen the rights of the registered owners of the Bonds then outstanding.

Section 12. Tax Covenants. In consideration of the purchase and acceptance of the Bonds by the owners thereof and, as authorized by Arizona Revised Statutes, Title 35, Article 7 enacted as Chapter 226, Laws of 1986, and in consideration of retaining the exemption from federal income taxes of interest income on the Bonds, the County covenants with the owners from time to time of the Bonds to neither take nor fail to take any action which action or failure to act is within its power and authority and would result in interest on the Bonds become subject to inclusion in gross income for federal income tax purposes.

The County agrees that it will comply with such requirements as in the opinion of Gust, Rosenfeld, Divelbess & Henderson ("bond counsel") are necessary to prevent interest on the Bonds becoming subject to inclusion in gross income for federal income tax purposes. Such requirements may include but are not limited to making further specific covenants; making truthful certifications and representations and giving necessary assurances; complying with all representations, covenants and assurances contained in certificates or agreements to be prepared by bond counsel; to pay to the United States of America any required amounts representing rebates of arbitrage profits relating to the Bonds; filing forms, statements and supporting documents as may be required under the federal tax laws; limiting the term of and yield on investments made with moneys relating to the Bonds; and limiting the use of the proceeds of the Bonds and property financed thereby.

Section 13. Tax Exempt Obligations. The County hereby designates the Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Internal Revenue Code of 1986. The County hereby certifies that it reasonably anticipates that the aggregate amount of qualified tax-exempt obligations (as defined in Section

265(b)(3)(B) of the Internal Revenue Code of 1986) which will be issued for or by the District in calendar year 1987 will not exceed \$10,000,000.

Section 14. Severability. If any section, paragraph, subdivision, sentence, clause or phrase of this resolution is for any reason held to be illegal or unenforceable, such decision will not affect the validity of the remaining portions of this resolution. The Board of Supervisors hereby declares that it would have adopted this resolution and each and every other section, paragraph, subdivision, sentence, clause or phrase hereof and authorized the issuance of the bonds pursuant hereto irrespective of the fact that any one or more sections, paragraphs, subdivisions, sentences, clauses or phrases of this resolution may be held illegal, invalid or unenforceable.

Section 15. Ratification of Actions. All actions of the officers and agents of the District, the County or the Board of Supervisors which conform to the purposes and intent of this resolution and which further the issuance and sale of the Bonds as contemplated by this resolution whether heretofore or hereafter taken are hereby ratified, confirmed and approved. Any changes made in the Notice Inviting Proposals for the Purchase of Bonds which do not conform to the prior order of this Board are hereby ratified. The proper officers and agents of the District and the County are hereby authorized and directed to do all such acts and things and to execute and deliver all such documents on behalf of the District as may be necessary to carry out the terms and intent of this resolution.

(Form of Reverse Side of Bond)

This bond is one of a series of bonds in the total principal amount of \$2,250,000 of like tenor except as to maturity date, rate of interest and number, issued by the District to provide funds to make those school improvements approved by a majority vote of qualified electors voting at an election duly called and held in and for the District, pursuant to a resolution of the Board of Supervisors of Navajo County duly adopted prior to the issuance hereof, and pursuant to the Constitution and laws of the State of Arizona relative to the issuance and sale of school district improvement bonds, and all amendments thereto, and all other laws of the State of Arizona thereunto enabling.

For the punctual payment of this bond and the interest hereon and for the levy and collection of ad valorem taxes sufficient for that purpose, the full faith and credit of the District are hereby irrevocably pledged.

Bonds maturing on or before July 1, 1992, are not subject to call for redemption prior to maturity. Bonds maturing on or after July 1, 1993, are subject to call for redemption prior to maturity, in whole or in part, on July 1, 1992, or on any interest payment date thereafter by the payment of the principal amount of each bond called for redemption plus accrued interest to the date fixed for redemption plus a premium payable from any source lawfully available therefor, the premium to be computed as follows:

Redemption Dates	Premium
July 1, 1992 and January 1, 1993	2%
July 1, 1993 and January 1, 1994	1-1/2%
July 1, 1994 and January 1, 1995	1%
July 1, 1995 and January 1, 1996	1/2 of 1%
and thereafter without premium.

The registrar or paying agent may be changed by the District without notice.

This bond is transferable by the registered owner in person or by attorney duly authorized in writing at the designated office of the registrar upon surrender and cancellation of this bond, but only in the manner and subject to the limitation and upon payment of the charges provided in the authorizing resolution. Upon such transfer a new bond or bonds of the same aggregate principal amount, maturity and interest rate will be issued to the transferee in exchange. The registrar may require a holder, among other things, to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the authorizing resolution. Should this bond be submitted to the registrar for transfer during the period commencing after the close of business on the record date and continuing to and including the next interest payment date, ownership will be transferred in the normal manner but the next interest payment will be made payable to and mailed to the owner shown on the registrar's books at the close of business on the record date.

The registrar may but need not register the transfer of a bond which has been selected for redemption and need not register the transfer of any bond for a period of 15 days before a selection of bonds to be redeemed; if the transfer of any bond which has been called or selected for call for redemption in whole or in part is registered, any notice of redemption which has been given to the transferor will be binding upon the transferee and a copy of the notice of redemption will be delivered to the transferee along with the bond or bonds.

Bonds of this series are issuable only in fully registered form in the denomination of \$5,000 each or integral multiples thereof.
